

EU Declaration of Conformity

We, the manufacturer,

**Emerson
Fisher Controls International LLC
205 South Center Street
Marshalltown, Iowa 50158 USA**

declare under our sole responsibility that the following products considered as,

**Non-electrical instrumentation
(pneumatic – positioners, controllers, transmitters, volume boosters, and switches)**

to which this declaration relates, is in conformity with the provisions of the following European Community Directives, including the latest amendments, as shown in the attached schedule.

Assumption of conformity is based on the application of the harmonized standards and, when applicable or required, a European Community Notified Body certification, as shown in the attached schedule.

PED Directive – 2014/68/EU

Declaration of SEP

Models: Non-electrical instrumentation (pneumatic – positioners, controllers, transmitters, volume boosters, and switches)

The above equipment was designed and manufactured in accordance with Sound Engineering Practice (SEP) and is in compliance with Article 4 paragraph 3 of the PED Directive. Therefore, the equipment cannot bear the CE mark related to PED compliance. However, the equipment *may* bear the CE mark to indicate compliance with *other* applicable EU Directives.
